

Engineered Protection

KynSHOC-C

Made of Cutting
Edge Materials Using
Aviation Technology

High Strength
Corrosion Resistant
Light Weight

KynSHOC-C COMPOSITE

Extends machinery life
Interchangeable
Most cost-effective
solution ANYWHERE
ROHS compliant

KynSHOC-S

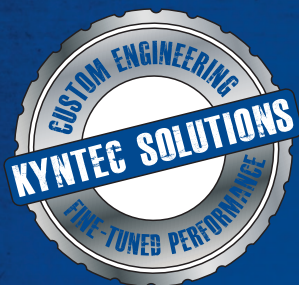

Stainless Steel Shock Absorbers

Adjustable 3-in-1
Damping Functions
Reduces inventory
Extend equipment life
Harsh environments
Clean room rated
ROHS compliant

KYNTec Rate Control Dampers

Custom damping profile
Compression, extension or both
Mechanical actuation options
Field adjustable options

Custom Engineered Solutions

Shock, Vibration, Actuation
